

BURZYNSKI

CANCER IS SERIOUS BUSINESS PART II

"I can't imagine a world where other people will not have the privilege that I have had—the privilege to have their life saved by a new technology that can cure cancer—it's terrifying."

Laura Hymas - 2013

Glioblastoma Grade IV brain cancer patient, after experiencing a complete remission under Antineoplaston therapy.

**ONE NIGHT ONLY
MAY 20 @ 6PM**

WATCH THE SEQUEL TO THE AWARD-WINNING DOCUMENTARY
